Reminders:

Labeling:

Labeling all items that come into the center are extremely important. We ask that all items including, shoes, blankets, coats, snow pants, gloves, backpacks, bottles, containers and all clothing items be labeled with your child's name. We recommend bringing in multiple extra clothing items in case of accidents, and messes during our fun activities.

Medications:

As a friendly reminder to parents, we are unable to administer any medication to your child that has not been prescribed by a doctor. The medication must remain in its original container and be labeled with the child's name, the date, and the name of drug, instructions for storage, and administration of the drug and must be a current prescription.

We also ask you to fill out a medication administration form before we are able to administer any medication.

Thank You

Outdoor Gear

We would like to remind families to bring in weather appropriate outdoor gear for you infants, toddlers and preschoolers.

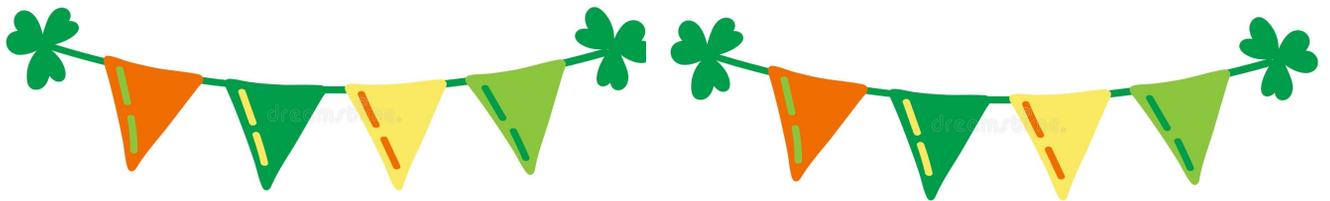

As the weather begins to warm up for spring, we invite you to switch out your child's snow pants for splash pants.
